REGIONAL AGREEMENT SIGNED. Local government officials sign a regional sewage treatment agreement Friday morning in the office of Nelson Hagnauer, Madison County Board chairman, in Edwardsville. Seated, from left, are Ronald Foster, village board president of Glen Carbon, Hagnauer, Metro-East Sanitary District President Walter "Shong" Greathouse and Granite City Mayor Paul Schuler. Standing, from left, are Robert

Schleuger, regional manager of the division of water pollution control, Illinois Environmental Protection Agency; Morris Miles of Chouteau Township, chairman of the county sewer committee, and Jackie Brummer, manager of the environmental planning division of the Southwestern Illinois Metropolitan and Regional Planning Commission. The Granite City wastewater treatment facility will be used for the regional system.

Work on EOC officer homes

Disclosures about the defunct Economic Opportunity Commission are continuing to rock Madison County.

It was asserted last week that EOC assets were used to help pay for improvements to the homes of two key employees of the non-governmental commission—Gene Morelli, treasurer, and Jimmie Wilson, public relations representative.

Executive Director Ruben Williams was fired and the anti-poverty agency was shut down Dec. 7.

GERTIE HILL, EOC deputy finance director, testified at a U.S. Bankruptcy Court hearing last week that about \$14,000 was spent at Wilson's residence, with almost \$10,000 still owed.

Wilson denied owing that much, saying EOC labor and materials were used but that "this was not federal money." He said there were no minimum income guidelines in designating which families' homes were to be rehabilitated.

Morelli said the work on his house helped provide jobs and training for

unemployed persons. Deputy Director Hill said the EOC owes Morelli back pay in an amount exceeding his debt, which Morelli estimated at \$4,000.

Work also was done on the home of Ara Conley, an EOC board member. She said she paid for it.

DOCUMENTS filed by the Bank of Alton said the EOC used false and misleading statements in applying for a \$250,000 loan from the bank a year ago, failing to mention \$600,000 was owed by the agency.

The bank opposes discharging the EOC from bankruptcy and seeks a full trial.

Thomas Long, an attorney for the bank, said EOC had already received state funds it said were still being awaited. And he said EOC diverted funds to purposes other than those set out by the state grants.

Assets were seized by the bank last November. It says it would not have granted the 1983 loan if the agency had been truthful about its financial condition.

THREE FORMER EOC officers, Williams, Opal Davis, deputy director, and Gertie Hill, were also named.

June trial in chain-saw case

A trial is to be held in June in Davenport, Iowa, in the alleged chain-saw killing of a former Granite Cityan, Mrs. Joyce Klindt, 34. Charged with first-degree murder is her husband, Dr. James Klindt.

The 33-year-old chiropractor was accused this March of killing her and then cutting up her body. She was reported missing March 18, 1983, and 29 days later commercial fishermen found a torso in the Mississippi River.

USING A SEARCH warrant,

police confiscated a chain saw from the couple's \$100,000 home. Officers later returned it to Dr. Klindt when they failed to prove the identity of the remains.

Scientists at the Southwestern Institute of Forensic Science in Dallas later utilized genetic markers to determine that the partial torso was that of the missing woman.

The markers are enzymes and other substances—found in human tissue or blood—that can be linked to inherited body factors.

Davenport police allege that the

husband once threatened to "cut her up in tiny pieces."

THE GENE-TESTING investigative technique had not been perfected at the time of her disappearance.

Dr. Klindt as a teenager competed in track and basketball at Davenport West High School, graduating in 1968, and then went to Logan College of Chiropractic in St. Louis County.

In discussing his wife's absence a year ago, he said she apparently had left their residence due to marital problems.

GC Steel improvements likely

By GARY SCHNEIDER

Press-Record Editor

Speculation that the proposed joint venture between National Intergroup Inc. and Nippon Kokan K.K. could accelerate National Steel's \$800 million five-year construction schedule into just two years is being voiced.

This is the outlook is being ex-

pressed by national news media in analyzing the long-term effects of NKK's tentative purchase of half of the National Steel chain, which includes Granite City Steel.

As was reported in Thursday's Press-Record, such a speeded-up modernizing effort would not surprise NII officials.

NII President James E. Haas said

during a press conference announcing the proposed sale, "We could see the acceleration of some of the capital spending. We want 100 percent continuous casting, a high level of process control, and their (the Japanese firm's) level of quality and production as quick as we can."

HAAS HINTED that the improvements may exceed the financial resources of National Steel and NKK and "will require full cash flow as well as some possible additional cash."

The Wall Street Journal said NKK believes that by making further

CHECKING IT OUT. Two Granite City emergency medical technicians have their questions answered Thursday about the newest addition to the fire department's ambulance fleet shortly after its delivery. Dick Moore, left, sales representative for the Leo Ellbracht Co., St. Louis, explains the control panel to Greg Nighohossian, center, and Jeff LaPaire. The converted 1984 Ford van, costing \$31,000, will be put into service within two weeks. Additional equipment, about \$12,000 worth, will be added to the vehicle by July, making it the second advanced life support ambulance operated by the fire department.

Supreme Court to rule on tax interest refund

By BILL WINTER

of the Press-Record

Reversing its April 3 decision not to hear a tax interest dispute between counties and local-level taxing bodies, the Illinois Supreme Court said Friday it will accept the case.

Chief Justice Howard Ryan explained why the seven-member court altered its initial ruling rejecting the appeal. He commented, "It is a serious enough problem that we thought we ought to take another look at it."

Ryan said justices had received no briefings beforehand on how governments and taxpayers might be affected by the appeal from DuPage County.

AT STAKE is whether counties must refund to other taxing agencies the interest derived from tax funds prior to their distribution. An estimated \$4 million to \$6 million is involved in Madison County.

Plans are being made for a meeting in about two weeks of representatives of most of this coun-

ty's governmental bodies. The group has voiced interest in negotiations with countywide officials on the amount to be refunded.

At a meeting Thursday night of the Township Officials of Madison Coun-

ty, strong opposition was voiced to Senate Bill 1478, which is being considered by Illinois legislators.

The bill was described as requiring local governments to reduce

Windstorm damage

A severe storm that devastated a subdivision in Gasconade County, Mo., destroying 30 homes and 150 mobile homes and injuring three persons there, also struck the Quad-City area Sunday evening, downing power lines, knocking over a tree

and damaging some roofs. Northern Madison County was under a tornado watch and a severe thunderstorm warning most of the evening and into the night. The high winds began about 7:40 p.m., pulling

SPECIAL OLYMPICS TORCH is held high by (left to right) Steve Crowder, 19, Granite City, a swimmer; Craig York, 19, Granite City, a high and long jumper; Kevin Weber, 24, Belleville, a swimmer; and Courtney Knight, 17, Alton, the only international wheelchair competitor from Illinois. Ninth annual Area 12 Special Olympics track competition is set for Saturday on the SIUE campus, with opening ceremonies at 9:30 a.m. at the track near Cougar Field, on Bluff Road. More than 1,300 athletes from eight counties will participate. Those holding the torch are 1983 champions who went on to win regional honors and then captured gold medals in the International Special Olympics, held at Louisiana State University.

Operating Engineers' office here is bombed

No injuries occurred in the bombing at 11 p.m. Friday of the office of Business Manager Dale Parkinson at the Operating Engineers Local 520 headquarters building on Engineers Road, Mitchell.

An investigation has been started by agents of the U.S. Bureau of Alcohol, Tobacco and Firearms.

THE POWDER used in the explosive device has not been identified.

The bomb apparently was thrown through a window. It caused extensive harm to desks, files, walls and the ceiling. There was only slight fire damage.

Among those participating in the investigation are Madison County sheriff deputies, whose staff is represented by the Operating Engineers.

There is believed to be no link between the bombing and the deputies' still unresolved 1983-84 contract talks with the Madison County Board.

INFORMATIONAL picketing was

conducted by deputies, jailers and dispatchers at the County Courthouse during the fall and winter.

Other members of the international union's local operate heavy construction equipment in a 16-county area of Illinois.

No internal dissension has been reported in the organization.

Chamber gathering

Members of the Tri-Cities Area Chamber of Commerce will hold their first "Business After Hours" get-together from 5:30 to 7:30 today, at the Granite City Trust and Savings Bank, to become better acquainted with each other and learn about Chamber programs and local businesses. Arnold Franke, director of the Small Business Development Satellite Center, will be available to answer questions about the center.

Development tour will include Granite City stop

St. Louis real estate developers and bankers will journey across the Mississippi River on May 3 to view sites with high potential for development in St. Clair and Madison counties including Granite City.

On the tour sponsored by the St. Louis Regional Commerce and Growth Association and the Southwestern Illinois Leadership Council the group will depart by bus from the Marriott Pavilion Hotel at 9 a.m. and return at 4:15 p.m.

The significant impact of the completion of Interstate 255 in Illinois and several additional state-funded highway improvements will be discussed by John Kramer, Illinois Secretary of Transportation, at a luncheon for the group at the new Hilton Hotel in Collinsville.

About 100 Illinois business and civic leaders have been invited to the luncheon. Other speakers will include James M. O'Flynn, president of the RCGA, and Carl Mathias, president of SEILC and service manager for Illinois Power Company.

In a letter to St. Louis developers and bankers, O'Flynn and Mathias

pointed out that more than \$1 billion is being invested in the Illinois portion of the metropolitan area.

THEY POINTED OUT that completion of the circumferential highway Interstate-255 in a few years will open entirely new development areas.

Tour participation is limited to developers, investors and bankers who will receive information about specific investment opportunities. The tour will focus on sites that are rated by professional economic developers as having high potential for development.

O'Flynn and Mathias stressed that this is "a unique opportunity" for St. Louis developers and bankers to update their knowledge of "a vital, growing part of the metropolitan area. They added that informed guides and resources provided on the tour will remain valuable reference for several years.

BROCHURES containing details of the sites, demographics, community profiles, services, investments, retail sales and other documented information will be given to the developers and bankers on the tour.

Dr. Robert E. Koepke, coordinator of the Office of Area Development at Southern Illinois University at Edwardsville, will be narrator on the tour. He will introduce several officials along the route who will discuss opportunities of specific sites.

The tour will include Bi-State Parks Airport, Fairview Heights, O'Fallon, Belleville, Collinsville, Edwardsville, St. Louis Regional Airport, Bethalto, Alton, Granite City and several other communities. In addition to the improved sites, the group will see thousands of acres that are available for development.

"There is a broad scope of possibilities," said O'Flynn and Mathias, "and the group on the tour will see the vitality of Southwestern Illinois."

The RCGA and the Illinois Department of Commerce and Community Affairs (DCCA) are providing overall direction for economic development in this part of Illinois. Spearheading the efforts to help business and industry there is the privately-operated Southwestern Illinois Leadership Council.

SWILC Chairman Earl Lazarsen, president of SIUE, said the economic development of the surrounding area is a high priority of the university "but we couldn't accomplish much without local leaders."

Koepke's office at SIUE gives staff support to SWILC as well as technical assistance to ongoing SIUE activities. Koepke believes the future of Southwestern Illinois is linked with that of St. Louis.

Members of a task force that planned the May 3 tour include Greg Nieman, SWILC; Mark Spizzo, DCCA; Rob Treat, Southwestern Illinois Metropolitan & Regional Planning Commission; Koepke; Aaron

Ridenour, Madison County Community Development; William Grogan, St. Clair County Interdepartmental Grants; Celeste Stiehl, Belleville Chamber of Commerce; Irv Roennigke and Harry Button, Riverbend Economic Development Corp.; William Shreck and Stuart Gilbert, Triangle Development Corp.; Ted Hauser, Archview/Target 2000; Gary Mackey, Southwestern Illinois Development Corridor Inc.; James Pennkamp, executive director of the Tri-Cities Area Chamber of Commerce, and Rich Weidner and Greg Mudge, RCGA.

MAJ. GEN. READ, DIVISION ENGINEER, IS TO RETIRE

Major General William E. Read, division engineer since 1980 of the Army Corps of Engineers Lower Mississippi Valley Division, Vicksburg, Miss. and president of the Mississippi River Commission since 1981, will retire from active Army service this summer.

His assignments have included: assistant chief of engineers (1978-80); division engineer, Missouri River Division, Omaha (1976-78); deputy commanding general, Aviation Systems Command, St. Louis (1974-76); district engineer, Tulsa (1971-72); commander, Task Force Ivy, Vietnam (1971); commander, Division Support Command, 4th Infantry Division, Vietnam (1970); and commander, 15th Engineer Battalion, 9th Infantry Division, Fort Riley and Vietnam (1966-67).

AFTER THE HUNT. The Easter Bunny is seen with the participants of the Granite City Junior Service Club Easter egg hunt last week at Nameoki Methodist Church. In the front row, from left, are Marcie Holsinger, Patrick McBride, Nicholas Miosky, Christopher Waymire, Danny Waymire, John Patrick Serich, Kara Nighohossian and Jared McMillan. Standing, from left, are Kim Holloway, John Polivick, Rod Repp, Ryan Repp, Derrick Nighohossian, Mott Miosky, Greg Weckman, Jeremy Nighohossian (being held by the Easter Bunny) Brett Klaus, John Klaus, Sara Curran, Jessica Harris, Katie Curran and Megan Curran. Venice kindergarten registration starts Wednesday at the school

Kindergarten registration for the 1984-1985 school year will be conducted at the Venice Elementary School Wednesday, May 2, from 9 a.m. to noon and from 1 p.m. to 2:45 p.m. in the kindergarten annex.

Any child who will be 5 years old by Dec. 1 is eligible to enroll in kindergarten.

Kindergarten classes are presently scheduled to be held Monday through Friday from 8:30 a.m. to 12:30 p.m.

A birth certificate and immunization record are to be presented at the time of registration. Hospital records are not accepted. These must be presented before actual attendance can begin in the fall.

Illinois law states that no child may enter school for the first time without the following immunization: Whooping Cough, Diphtheria, Tetanus, Poliomylitis, Rubella (measles) and Rubella Three (three-day measles). Exceptions are made only for religious or medical reasons.

Physical and dental examinations required before attendance in kindergarten can begin. These forms are distributed to parents at the time of registration so that appointments for the exams can be arranged during the summer.

The school nurse will be available at the time of registrations to explain health regulations to parents and also to review the immunization record of each child.

The child being registered is to accompany the parent. Questions concerning the registration may be answered by calling Venice Elementary School at 877-5886.

CANNABIS POSSESSION ALLEGED AGAINST TWO

James D. Wilkinson, 18, of 2155 Waterman Ave., and Timothy W. Burns, 20, of 2717 Marshall Ave., both were charged with unlawful possession of cannabis after a vehicle driven by Wilkinson was stopped at Nameoki Road and Jill Avenue last week.

A clear plastic bag containing a leafy green substance, believed to be cannabis, allegedly was found beneath a front seat in the auto. A second plastic bag holding the same type of vegetation was found in Burns' jacket pocket. It was alleged. Wilkinson was released upon posting a \$52 cash bond.

BURGLAR RANSACKS

A bedroom was ransacked and items were scattered on the floor and bed at the home of Don Anderson, 3666 Terrace Lane, where a rear window had been broken to gain entry. It was reported late last week. Immediately determined to be missing was a gold chain valued at \$400. Other property was being inventoried.

changes in management style and by continuing technology improvements, it can add \$145 million to National Steel's annual profit in productivity savings, as well as assist National Steel in gaining a competitive edge in the U.S. sheet steel market.

GC Steel officials said in April that National Steel is expecting to construct another continuous slab caster in the near future, either a new caster at Great Lakes or a second caster at Granite City. The first caster here has exceeded the output expectations of its designers and is making about 65 percent of the steel produced here.

OTHER POSSIBLE improvements here could be upgraded technology for the rolling operations, better slab handling facilities, a continuous pouring operation for the caster, replacement of certain worn-out equipment, new cold roll bending equipment and more.

Already being constructed is new "bottom blow" equipment which will be attached to the basic oxygen furnace the next time it is shut down for relining, probably this summer.

Industry observers believe the National-NKK joint venture could woo the business of Honda Motor Company's Marysville, Ohio, plant, which buys about 80,000 tons of steel

a year. Inland Steel supplies about 70 percent of that currently.

THE PURCHASE of half of National Steel is expected to help NKK, which is operating its Japanese plants only at about 65 percent of capacity. Some slabs from Japan may be shipped to Granite City, where processing capacity exceeds the amount of steel the mill can produce.

Currently, "We are importing small amounts of slabs from Europe and will continue to buy from the best supplier when we have excess capacity," Howard M. Love, chairman of the board of NII, commented when the proposed sale was announced.

On the other hand, he said, NKK's expertise in the worldwide market may help increase the amount of steel National can sell on the international market. "In the short term, we will be serving our local market. We hope, with product improvement in a few years, we can ship worldwide," Love added.

THE CHAIRMAN said he foresees little opposition, if any, from the U.S. Justice Department, whose verbal objections halted the proposed U.S. Steel Corp. purchase of National Steel. Anti-trust officials voiced unreasonable demands regarding that plan, according to Love.

Love said similar U.S.-Japanese business agreements in the electronics and truck fields already are working well.

There also is cooperation in automobile production, including American cars with Japanese engines and parts.

Also, two months ago, Nisshin Steel Co. and Wheeling-Pittsburgh Steel Corp. agreed to a much smaller joint venture designed to produce rust-resistant steel for cars, Love pointed out.

KAWASAKI Steel Corp. is planning to sell semi-finished steel produced in a jointly-owned steel in Brazil to investors acquiring Kaiser Steel Corporation's steel plants.

Steelworkers here need not fear major changes in wages, Love said. "I don't envision concessions of the kind we've had. We need full capacity, and input from all our employees. We are getting large employee participation at most of our plants."

"That participation is the surest thing—to ensure the viability of our steel plants—of anything that I know."

"The technology will help, but it's the utilization of the technology that will assure our long-term success," he commented.

Refund

(Continued from Page 1)

their tax levies in the amount of whatever refunds are received, or to transfer an equivalent sum of money to counties to pay for county jail costs.

Although the legislation is being supported by county officials, the township officers said they feel counties have no right to dictate to townships, cities, schools and other taxing bodies.

THE TOWNSHIP GROUP pictured such activity as a smokescreen to divert public attention from counties' alleged long-term effect of interest and potential interest from other governments.

Diversion continued even after

many were aware of its apparent inappropriateness, township officials commented.

Presiding at the Edwardsville Township Hall was Thomas Buchheim. Attorney Don Rikil of Highland provided legal advice.

Eighteen of the 24 Madison County townships were represented at the gathering.

BASED ON the Illinois Supreme Court's rejection of the appeal, many counties were in the preliminary stages of preparing to make refunds. Whether these were to be financed from new taxes was a key issue under discussion.

Now that the high court has decided to review the subject, all parties

are expressing hope for an early ruling.

The liability dates back to 1976, in the DuPage case, or perhaps to 1971, when the present Illinois Constitution went into effect, township officials say.

THE STATEWIDE refund total for 6,700 districts is projected at \$200 million.

The appellate court sided with the Wood Dale Public Library District, which contended it should share in the interest earned by DuPage County on library tax dollars.

The effect of the ruling was extended to 98 counties, including Madison County.

a power line from a transformer in front of Corral Liquors, 3304 Nameoki Road, but the store did not lose power. Shortly thereafter, however, power went off in the adjoining Geo's Lounge and the establishment was evacuated.

PERIODS of heavy rain accompanied the winds, bringing traffic at times to a standstill.

Burglar alarms were set off by the high winds at several locations about 8 p.m., Granite City police said. Doors were blown open at the former Nash's Lounge in the Crossroads-Nameoki Village complex and other damage was reported

to that building.

Some roofing materials were blown from the roof of Central Christian Church, 2020 Johnson Road, and a tree was blown over in the 2600 block of Charles Street, blocking most of the roadway.

A POWER LINE caused a minor fire at 1931-33 Grand Ave., and another power line was reported across the road at Nameoki and Edwardsville roads.

The high winds continued throughout the night with periods of rain.

Madison and Venice police said

this morning that their cities apparently escaped any serious damage.

THE WEATHER forecast was for continued high winds today, diminishing tonight, but rain should not return until Wednesday, at the earliest.

A service agreement between the EOC and the company, Community Development Corp., said EOC was to provide technical, supportive and financial assistance in order to improve economic conditions of the disadvantaged.

Those aided deny that the help was funded by the U.S. or the EOC. CDC has no connection with the Community Development department of the Madison County government.

Cheryl Jouett, county development director, told Madison County Township officials on Thursday night that equipment needed for a \$521,000 home weatherization program (taken over from the EOC by the county) is tied up by the EOC bankruptcy proceedings. Trucks have been seized by the court pending a verdict in the case.

Deadline May 1 for AP testing

Tomorrow is the deadline for registration for Advanced Placement (AP) exams at Granite City High School. Students may register in the Guidance Office for any of the following AP exams: biology, chemistry, English language and composition, English literature and composition, German, Spanish, American history, European history, calculus, physics and music theory.

Art students may submit a portfolio in lieu of an exam. The \$45 fee for each exam must be paid at the time of registration.

Advanced Placement exams provide high school students an opportunity to earn college credit without enrolling in a college course. Before taking the exams, however, students should contact their desired college to inquire if the college will provide AP credit for successfully written exams.

The AP exams will be administered during the second and third weeks of May.

Interested students may contact Mrs. Sonya J. Adkerson, guidance coordinator at the high school.

Sale a good sign for GC Steel

We greet the announcement that a Japanese firm plans to purchase half of National Steel Corp. a bit warmer than we greeted the earlier proposal to sell the corporation to U.S. Steel.

The Japanese firm, Nippon Kokan K.K., has a reputation for technical excellence and has been working hand-in-hand with National Steel officials at the Granite City plant and elsewhere.

New procedures suggested by visitors from NKK are being put into effect at the continuous slab caster, "and they are working," according to a spokesman for GC Steel.

We will anxiously watch the discussions on formation of the executive branch of the joint company. It

will be interesting to see whether the American system of strong leadership or the Japanese system of decision by consensus are used. Truly, "East meets West" will occur at Granite City Steel if the Justice Department approves the sale, which is likely.

The joint venture will eventually make Granite City Steel a "world-class steel mill" and significant upgrading and modernization are expected to prepare the plant for its new role. We hope the employees will join with the management in a flexible approach to achieving quality and efficiency using the best of the American and Japanese methods.

GC foreign language emphasis

Granite City schools announced a few days ago that they are surveying students to learn whether there is sufficient interest to revive the teaching of Latin.

We do not know the answer but we note the conducting of the survey with interest.

In this changing world, the needs of young people and adults to be well versed in various languages seem to be constantly increasing.

The case for Latin is being made by John K. Newman, professor of classics, chairman of the Department of the Classics, College of Liberal Arts and Sciences, University of Illinois.

"Law, government, the academic professions and even the arts have been deeply influenced by the Romans, whose language was Latin. Latin is deeply embedded in English, both directly and indirectly from intermediate languages such as French and Spanish.

"Spelling, grammar, punctuation and comprehension are basic defects often noted by the

faculty here in the preparation of beginning freshmen. A good, well-taught Latin course in high school enables children to handle language with confidence, ease and fluency. And those learning other foreign languages are much better prepared if they have studied Latin."

We recall that local schools once seriously considered whether to begin Russian courses, not because anyone was sympathetic to the Soviet government but because that language obviously was going to play a part in major world developments for an extended period of time.

Still another question, now that Granite City Steel is to be partly owned by Nippon Kokan K.K., is whether Granite Cityans ought to begin becoming familiar with the Japanese language.

America, it is said in this era of instant worldwide communication, is part of a "global village." This being true, residents of America's heartland may face a constantly expanding horizon.

Body shop zoning verdict goes against city

A jury in the Madison County Circuit Court at Edwardsville returned an innocent verdict last week on misdemeanor charges against Albert and Shirley Kibort. The couple had been charged with operating a business without a license.

The Kiborts had leased property at 2701 Pontoon Road (formerly a service station) last September in the hope of starting two different businesses—a floral design business and an auto body repair shop. They added a 30x40-foot addition onto the original structure, to be used to house Mrs. Kibort's business.

After they had been leasing the property for two weeks, they received a letter from the Granite City building department telling them an

auto repair shop was not within the uses in C-5 zoning.

A month later, the Granite City Council amended the zoning ordinance to place body shops in an "I" classification. The council also decided at that time to deny the Kiborts' request for a license.

They filed a suit Nov. 9 through their attorney, Leon G. Scroggins, contending they were illegally denied a license for a repair shop, since the zoning ordinance was changed "after the fact."

The city, in turn, filed a suit against the Kiborts, charging they were operating a business without a license. Scroggins said that although the Kiborts were found to not be in

violation of the city law, they still have not been issued a business license.

He said a civil proceeding, still pending, may clear up that matter. The civil suit also asks for an injunction to prevent the city from "harassing" them, and a declaratory judgment that the Kiborts had committed no wrong.

Scroggins said he has asked the court to set a date for those proceedings.

Mrs. Kibort, owner of Shirli K Floral Designs, formerly operated her business from her home for three years. Her husband, unemployed for the past two years, has over 30 years of auto body experience.

workers and hire young people. The AFL-CIO believes workers should be paid for what they do, not on the basis of their age, their sex or their color.

Plan would lower the incomes of workers

To the Editor:

Below you will find a response to President Reagan's proposal to reduce the minimum wage, ostensibly to encourage the summer hiring of youths.

President Reagan's proposal to pay young workers less than the minimum wage is a form of age discrimination. It is a long way to reduce youth unemployment.

To ask young people to work for

\$2.50 an hour is an economic crime. It would take \$4.25 an hour today to give minimum wage workers the purchasing power they had when the current \$3.35 an hour wage was in effect.

Many economists—and even Republican secretaries of labor—have shown that giving sons 22 years old or younger special cut-rate pay would encourage employers to fire their older

workers and hire young people. The AFL-CIO believes workers should be paid for what they do, not on the basis of their age, their sex or their color.

President Reagan's proposal is just another attempt to lower the incomes of working Americans.

Court can decide the right name

Law
and you

By Rick Reed
Attorney at Law

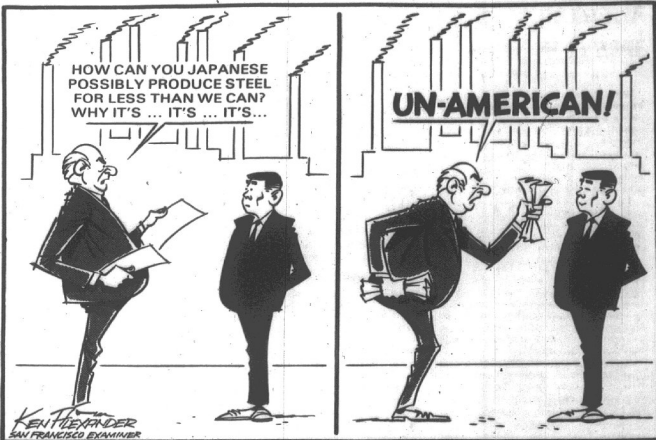

In a recent case decided in Illinois, a mother who had been granted custody of her minor child petitioned the court to change the child's surname to that of her new husband. The natural father contested this and claimed that he had a right to have his child bear his name. The Appellate Court considered a number of factors, including the mother's motives for desiring this name change for her daughter as well as the rights of the natural father. However, the case was eventually decided based on the best interests of the child herself. A review of the facts in this case will help illustrate the problems confronted by the court.

In this case, the parties were divorced in St. Clair County, and the mother was awarded custody of the one daughter. The father was granted visitation. The mother remarried the same year, and the father remarried the following year. The mother filed the petition on behalf of her daughter to change the daughter's name to that of her new husband approximately seven weeks after her remarriage. At the time, the child was five years old. A hearing was held, and the trial court decided that it was in the best interests of the child that her surname be changed to that of her stepfather.

The natural father appealed this case. The Appellate Court noted that this was the first time this issue was to be decided by an Illinois Court. The most important consideration, the court noted, was the best interests of the child. The court indicated that both parents loved the child and wanted what was in her best interests. Furthermore, the court made note of the fact that the father was current in his support payments and frequently exercised visitation, thus indicating that he cared about his daughter.

The mother's reasoning in seeking the change of name was that the daughter desired it, and that the child would experience stigma from living in a household where her name was different from the rest of the family. The court also noted the testimony that the child would experience peer pressures in the small Catholic school she attended because her last name was different than her mother's. From the father's standpoint, the court made reference to a similar New Jersey case which noted that a change of name imposed on the child could make her feel like her father had rejected her.

In conclusion, the Appellate Court reversed the decision of the trial court and denied the change of name. The court noted that the natural father, no matter what the outcome of this case, would still have an obligation to support his child. Furthermore, he would still have visitation, and there would be potential embarrassment to the daughter if she visited with her father bearing a different last name than his. Finally, the court noted that the natural father loved his daughter, supported her, and maintained an active interest in her. In this case, the Court felt the change of name would serve no purpose.

Quad-Cityans were asked last week if they think the purchase of half of National Steel by the Japanese firm of Nippon Kokan K.K. will be helpful or harmful to the local industry. Their reactions follow:

Eddee Kinca, Granite City

"I think it will be good mainly because the product we were shipping out will be staying here now—it will be good for the states. There won't be as many layoffs, either."

Mary Brown, Granite City

"About a month ago, the city was concerned about U.S. Steel buying our plant and then closing us down. What guarantee do we have that the Japanese won't move in and do the same thing?"

Dawn Johnson, Granite City

"I think the sale is good because, hopefully, some of the Granite City employees will get their jobs back."

Joanne Kraus, Granite City

"I don't feel that I really know enough about the sale to give an intelligent answer one way or the other, but I hope it will benefit us."

Prayer, action, spiritual awakening urged

To the Editor: President Reagan has proclaimed the first Thursday in May, May 3, as the 32nd consecutive National Day of Prayer.

This observance in America is not new. Note the following excerpt from a proclamation made by Abraham Lincoln on March 30, 1863:

"Whereas the Senate of the United States, devoutly recognizing the supreme authority and just government of Almighty God in all the affairs of men and of nations, has by a resolution requested the President to designate and set apart a day for national prayer and humiliation;

"And whereas it is the duty of nations as well as of men to own their dependence upon the overruling power of God, to confess their sins and transgressions in humble sorrow, yet with assured hope that genuine repentance will lead to mercy and pardon;

"And to recognize the sublime

truth, announced in the Holy Scriptures and proven by all history, that these nations only are blessed whose God is the Lord;

"And inasmuch as we know that by His divine law, nations like individuals, are subjected to punishments and chastisements in this world, may we not justly fear that the awful calamity of civil war, which now desolates the land may be but a punishment inflicted upon us for our presumptuous sins to the needful end of our national reformation as a whole people?"

"We have been the recipients of the choicest bounties of Heavens; we have been preserved these many years in peace and prosperity; we have grown in numbers, wealth, and power as no other nation has ever grown.

"But we have forgotten God. We have forgotten the gracious hand which preserved us in peace and

multiplied and enriched and strengthened us.

"We have vainly imagined, in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of our own.

"Intoxicated with unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us.

"It behooves us, then, to humble ourselves before the offended power to confess our national sins, and to pray for clemency and forgiveness," Pres. Lincoln concluded.

Let us all join in prayer and action in an effort to bring a spiritual awakening to America.

God bless America.

Nameoki a place of caring and generosity

To the Editor: There have been so many derogatory remarks about the Nameoki Township Office that it has given Nameoki Township a bad name.

Some years ago, I moved to Pontoon Beach, which is a part of Nameoki Township. Having moved here without having my own transportation, it is a long way to things that have to be attended to in Granite City.

Out here we have a nice Senior Citizen Van that is for the use of senior citizens, provided by Nameoki Township.

The driver is to be commended for her many courtesies in getting her riders on and off the van.

Then, too, many of the riders are luncheon patients that she takes to the hospital. She personally escorts them in — those who need help.

She sits with some of the riders and waits with them till they are admitted.

For the ones who have been to get groceries, she helps them carry their packages (till they can get in their homes).

We also have a nice Senior Citizen

here in Pontoon Beach, catering to the poor and those out of work. This is Nameoki Township to me.

Opposes efforts to weaken license law

To the Editor:

As the Service Director of Radiology employed at St. Elizabeth Medical Center, I wish to express my concern over State Rep. Monroe Flinn's attempt to nullify the recently adopted licensure law issued by the Department of Nuclear Safety.

The Honorable Mr. Flinn is the chairman of the Joint Committee Administrative Rules, an agency at "odds" with the Department of Nuclear Safety over "bureaucratic toe-stepping."

Regardless of which agency is legislatively responsible for the implementation of the "Radiation Protection Act," the bill introduced and approved, must be kept intact. The objections raised by the JCAR are the "teeth" of the legislation. To remove the following conditions would jeopardize the "intent" of the law which was intended to protect the public from the "incompetent" technician.

The conditions are as follows:

1. To require an examination as a condition to licensure.

2. To charge an application fee for an examination.

3. To suspend or revoke a license.

4. To exempt students or other individuals from the requirements of the act.

5. To issue a conditional or temporary license.

6. To require clinical practice as a condition for licensure.

As you can see, the conditions currently in effect guarantee competency of the technician prior to issuance of certification. In my opinion, the Honorable Mr. Flinn's concern regarding "over regulation of technologists" is admirable.

Although his motives are not aimed, at protecting the public from radiation hazards, his purpose seems to be the preservation of the bureaucratic hierarchy.

Boys State Memorial for Capt. Lucas

A memorial fund in honor of the late U.S. Army Capt. Keith Joseph Lucas, who was killed when his helicopter was hit during the Grenada invasion, has been established by the American Legion Premier Boys State Commission of Illinois.

The announcement was made locally by Legionnaire Harold Chandler of American Legion Post 113.

Capt. Lucas had attended Boys State as a student in 1974 and had returned in 1977 and 1983 as a member of the counseling staff.

Boys State is an annual weeklong citizenship program where high school students from throughout the state gather to form two hypothetical political parties. The participants campaign for various

offices on the city, county and state levels in 32 imaginary cities.

The program is recognized as the Premier Boys State, since the program was initiated in Illinois in 1965. More than 54,000 boys have attended the sessions.

Chandler said Capt. Lucas was a dedicated volunteer of the program and had, at one time, given up a week's military furlough to serve on the staff.

The money contributed to the memorial will be deposited in a special bank account and a cash award equaling the earnings on the investment will be given to one boy selected at the annual Boys State Session. Contributions may be made to The American Legion Premier Boys State of Illinois, 207 E. Lincolnway, Morrison, Ill., 61270.

American Legion Post 113 has sent local high school students to Boys State in the past and Chandler said the Legion would be contacting Granite City High School administrators to see if any youth is interested in attending this year.

Capt. Lucas graduated from Granite City High School North in 1975, where he played football and was named "all metro guard."

He graduated from Washington University, St. Louis, after spending his junior year as an exchange student at the University of Tübingen in Germany. He was commissioned a lieutenant upon enlisting in the Army in July 1979.

He became a helicopter pilot after training at Fort Rucker, Ala., and was assigned to the 158th Aviation Battalion, Special Operations, 160th

Task Force, 101st Airborne Division. He was a member of a special unit, the Night Stalkers. Capt. Lucas had been stationed at Fort Campbell, Ky.

Capt. Lucas was posthumously awarded the Distinguished Flying Cross and the Purple Heart for flying 12 U.S. Army Rangers in a Black Hawk UH-60 helicopter under heavy enemy fire and enabling them to disembark from the damaged aircraft on the island of Grenada on Oct. 25, 1983.

A resolution honoring him was approved by the Illinois House of Representatives in January.

He is survived by his widow, Paula, and two children, and his parents, Stanley Lucas of Arlington Heights and Shirley McAllister of Baton Rouge, La., formerly of Granite City.

CONCERNED WOMEN TO MEET

To aid in preserving Judeo-Christian values and the traditional family, Concerned Women for America will present a multi-media program, "The Facade of Feminism," Thursday, May 3 at 10 a.m. in the Main Post Chapel of the St. Louis Area Support Center (Army Depot) in Granite City.

Services are conducted for Rev. John Mifflin

Funeral services were conducted Wednesday afternoon, April 25, at a Carbondale funeral home for the Rev. John F. Mifflin, father of a Granite City resident.

He died at 3:30 p.m. Friday, April 20, 1984, in Midland, Texas, following a three-year illness.

Rev. Mifflin was born in Carbondale, Ill., and lived in Texas for 25 years. He was pastor of churches in Illinois and Texas and on several occasions held evangelistic services at local churches.

He was preceded in death by his wife, Mrs. Thelma Mifflin, in 1974.

Survivors include four daughters, Mrs. Norris (Betty) Lipe of Granite City, Mrs. Gene (Alice) Sidham of Fairview Heights, Mrs. Ernest (Thelma) Klau of Midland, Texas, and Mrs. W. R. (Peggy) Mobley of Lake Jackson, Texas; three sons, Joe Mifflin of Doole, Texas, and Pat Mifflin of Dallas, Texas; three sisters, Mrs. Lillian Dixon of Centerville Township, Mrs. Mary Gray of Alto Pass, Ill., and Mrs. Anna Cokley of Garysburg, 26 grandchildren, 22 great-grandchildren, and nieces and nephews.

Burial was in Oakland Cemetery, Carbondale.

Mrs. Willis remained actively involved in many organizations prior to becoming ill about a month ago.

On Feb. 9, 1984, she was presented the Ruby Sertoma Club's "Service to Mankind Award," marking the first time in the civic group's history that a woman was selected to receive the honor.

Mrs. Willis was born in Madison and resided in Madison and Granite City nearly 60 years before moving to Auburn more than four decades ago.

She and her husband Harry Willis, who died Jan. 19, 1971, owned and operated a funeral home in Auburn for many years.

In her adopted community, Mrs. Willis organized Girl Scout troops and a kitchen band. She also was responsible for helping to start the senior citizens' group there.

Mrs. Willis served three terms as president of the Auburn Women's Club and was a member of the Springfield Diocesan Council of Catholic Women.

She was a member of St. Benedict Catholic Church in Auburn and was a past president of the St. Benedict Altar Society.

Besides her husband, Mrs. Willis was preceded in death by a brother, Francis Lahey, and two sisters, Mrs. Alice Pieper and Mrs. Irene Straube. All were local residents.

Among the survivors are a son, Thomas Willis of Springfield; seven grandchildren; two sisters-in-law, Mrs. Mary Lahey and Mrs. Philip (Edna) Sheridan, both of Granite City; and many nieces and nephews.

Visitation begins at 2 p.m. Tuesday at Pieper Funeral Home, 1929 Cleveland Blvd., where the Rosary will be recited at 7 p.m. Tuesday by the Rev. Frank Kordick.

Mass will be said at 11 a.m. Wednesday, May 2, at St. Joseph Catholic Church, 210 E. State St., by Monsignor Paul Sheridan, new vicar-general of the Springfield Diocese and a nephew of Mrs. Willis. Burial will be in Calvary Cemetery, Edwardsville Township.

Visitation also will take place from 7 p.m. until 9 p.m. Monday at St. Benedict Catholic Church in Auburn, with the Rosary being recited there at 7 p.m. today.

Applications taken for GC Mayor's Paint Program

For the fifth straight year on June 1, 1982, the city of Granite City will begin the Granite City Mayor's Paint Program. This program will be coordinated by the Mayor's office and is supported by funds from the Madison County Community Development Office.

Applications and program guidelines may be picked up and filled out at two locations. Senior citizens may pick up their copies at the office of the Nelson Hagmann, Township supervisor, located at 2060 Delmar Avenue. Other individuals may pick up their applications at the office of the mayor. Both offices will be open during normal working hours for this purpose. Applications will only

be accepted until Friday, June 18, 1982.

The paint program will run for a two-month period only. It will be limited to only scraping, cleaning, and painting with white, gray or black paints of the exterior on each approved residences. Residents' needs will establish the priority on which scheduling will be done.

The primary concern of the program will specifically involve senior citizens and low to moderate income families who can subsidize income levels and residency requirements to meet necessary standards which are set by the Madison County Community Development Office and HUD. These standards will be strictly enforced, a spokesman said.

Shots given will include rabies, \$6, distemper, \$7, and parvo, \$7.

Alleged beating results in struggle with police

It was told by Betty J. Gordon of Moline Acres that her boyfriend, Ernest Walker of 225 Kerr St., Venice, beat her. Both were taken to police headquarters, where Miss Gordon refused to press charges. Police then informed Walker that she could press charges against him anyway, since they had received several calls from residents who had been disturbed.

At this point, the Walker allegedly started using obscene language and resisted officers who were trying to place him under arrest. During the struggle, Miss Gordon allegedly jumped on top of police officers and started beating on them.

Miss Gordon, who had a baby with her, dropped the baby to the floor during the struggle. The baby, however, escaped injury.

Necessary force used, according to officers, and both Wallace and Miss Gordon were placed into custody. The two pleaded guilty in court yesterday and were fined \$375 each and given a year's probation.

Driver injured, car hits poles in speed chase

A 38-year-old Madison man was injured following a high speed chase at 9:30 p.m. Saturday. He was admitted to St. Elizabeth Medical Center and was ordered held for police authorities, pending application for a felony warrant.

The vehicle involved in the pursuit allegedly was stolen from Granite Chrysler-Plymouth, 19th Street and Grand Avenue.

Initial charges of fleeing and attempting to elude a police officer, driving while his license was revoked, disobeying a traffic control device and driving without headlights were filed against the man.

The chase started when a patrolling officer saw a 1980 Chrysler Imperial northbound in the 1800 block of Grand Avenue, allegedly without headlights, and the officer turned the squad car around to follow.

The policeman activated the red lights on the police vehicle when the motorist swerved the auto, nearly hitting the curb, and then began to accelerate at high speed.

Upon turning east onto 20th Street, the auto went out of control, mounting the northside curb and striking a utility pole on the northeast corner of the 20th and Grand intersection.

It was alleged the driver continued going, however, traveling east on 20th Street and turning south in the alley between Grand and Madison avenues.

At the rear of 1934 Grand Ave., the Chrysler struck another utility pole and the driver was thrown from the vehicle and was lying on the pavement next to the driver's door when the officer pulled alongside.

The motorist was injured, but conscious, reports noted. An ambulance was called and he was taken to the medical center for treatment.

At that point, the officer learned from a person living nearby that the vehicle appeared to be the same auto that had been offered for sale on the agency's used car lot.

The Chrysler had no registration plates and appeared to have been hot-wired, reports said.

Steve Rains, sales manager for Granite Chrysler-Plymouth, came to the scene and verified the vehicle is owned by the company and had been parked in a lot at the rear of the firm.

Win Own Tournament Soph hurlers whip West; win tourney

GRANITE CITY — To some of the other schools represented in this weekend's Granite City High School Invitational Sophomore Baseball Tournament, the Warriors may not have been a very gracious host.

For example, St. Thomas Aquinas, Belleville East and Belleville West probably weren't too overly excited about the Warriors' hospitality. The Warriors beat Aquinas 20-1 Friday in the first round, and then came back Saturday and upended the Lancers 13-4 in the semifinals and then bettered the Maroons 12-10 in the championship game.

While the Warriors managed to grab the championship plaque, the St. Louis University High Junior Billikens blasted Missouri rival Clayton 13-3 in five innings to pick up the consolation title of the eighth tournament.

"Our guys really played well," ex-

plained Warrior Coach Greg Patton, whose Warriors are now 7-1 on the season.

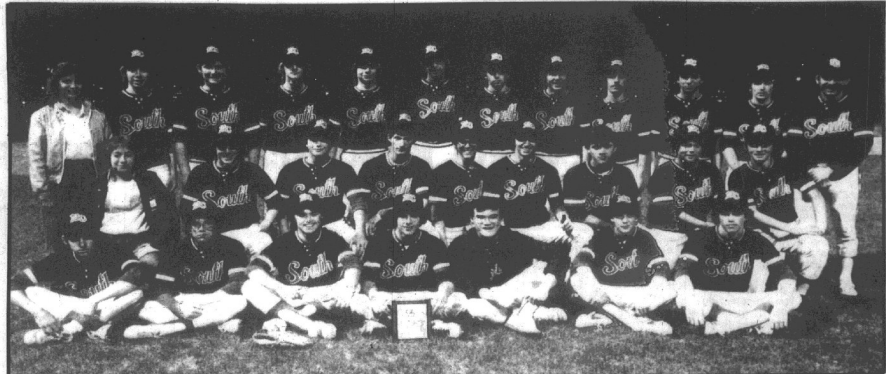

"We really haven't been hitting the ball that well before we started the tournament. But we came in here, played well and hit well. They really got excited, pumped up, about the tournament."

"The whole team came together for the tournament, meshed together. It was a team effort," Patton said.

In Saturday's championship game, the Warriors fell behind 2-0 after half an inning, but came back in their half of the first to take a 3-2 lead on an RBI single to right field by Todd Isom.

West retaliated in the second, scoring three runs to take what appeared to be a commanding 5-2 lead. However, the Warriors managed to get one of those runs back in their half of the second to cut West's lead to one, 5-4, when Matt Roe slapped a two-out single to left field to scored

On Saturday Warriors sweep twinbill from nearby Oilers

WOOD RIVER — Winning is always sweet, but when a team comes from behind to post a victory over a team with a better record than its own, winning is particularly sweet.

Granite City High School's varsity baseball team was reminded just how sweet victory can be Saturday as it swept a double-header from its rival to the north, Wood River. The Warriors, now 5-11, upended the fourth rated Oilers 13-6 in the first contest and then surged from behind to win the second game 12-10. Both contests were as full as offensive firepower as the day was sunny.

The Oilers, who were rated as the fourth best Class A team in Metro-East last week by the St. Louis Globe-Democrat, fell to 10-7-1 on the season.

In the first game the Warriors zipped to a 10-1 lead through the first three innings and flurried with making it a five-inning contest before the Oilers finally got their offense on track in the fourth, fifth and sixth innings to close the point spread.

Warrior hurler Allen Zentgraf picked up his second win of the season as he went the distance for the Warriors. Across the field, Oiler starting pitcher Scott Gibbs lasted all of two-thirds of the first inning before the surging Warrior offense forced an early exodus.

In all, the frustrated Oilers sent three pitchers to the mound, and neither were very effective. Granite City managed 13 hits in the first game while Wood River managed nine.

NOT ALL of the blame for Wood River's first loss can be put on the pitchers, though. The Oilers' defense in the first game was atrocious. In all, the Oilers committed six miscues, each coming at times which prolonged Warrior rallies.

"We were terrible out there today," lamented Oiler coach Norris Dorsey. "At times, I wondered if we had any defense out there at all."

"And in the second game," Dorsey said, "we had the opportunity to come up with a win, but didn't. We rolled over. We still don't have that killer instinct."

Granite City's left fielder Shane Cole showed a little killer instinct of his own as he started things

bases for the Warriors' fourth tally of the inning.

AS IT turned out, that wasn't the only time Davis would round the bases in that game. Davis, who went 3-for-5 in that first game, cleanly hit a home run in the fourth inning, the Warriors' 11th run of the game.

"Our kids were more aggressive out there today at the plate," Warrior coach Bob Stegemeier said after the double-header. "Yes, it was our

off right in the first game, slapping Gibbs' first pitch to left field for a single.

Warrior designated hitter Sam Tate continued the Warrior surge as he smashed a triple scoring Cole. Jim Mouldon kept the Warrior offense moving as he split the Oilers' right and center fielders with a double which scored Tate.

JERRY Booker, batting in the cleanup spot, singled in Mouldon to increase the Warrior lead to three. Booker, who was 4-for-5 in the first game, advanced to second when Gibbs' pick-off throw to first went awry.

Batting fifth, Terry Rujawitz fled out to Gibbs who threw to second in time to catch Booker off base for a twin killing.

With the bases clear and two outs, three runs appeared to be all the Warriors would get in the first inning, but sophomore shortstop Steve Davis had different ideas.

Lady Luck was with Davis, who smashed a line shot single to left field. A clean single, the ball eluded Oiler left fielder Shawn Barnard and the speedy Davis dashed around the

best offensive showing of the season, but we still need to be more consistent in the field. Not just error free ball, but we've consistently have to make the big play."

Despite his concern for consistency on defense, the Warrior coach continued his praise for the Warrior offense.

"**BOKER** contributed immensely to our success in the first game. And (senior second baseman Randy) Thurman was super in the second ball game. He's certainly earned a second look."

Stegemeier called Thurman "a very positive force" on the team. "He's been sitting on the bench and not once have I heard any complaining out of him because he's not playing."

"He's a heady ball player with good defensive skills and helps keep the other players loose," Stegemeier said.

In the second game, Thurman was 4-for-4 with a sacrifice squeeze bunt, two singles, two triples and three RBI's.

In that second game, the Warriors took a 2-1 lead after the first in-

ning, but after three complete innings, the Oilers battled back to take a 4-3 lead when Tracy Roe hit a two-out two-RBI triple off Warrior starter Darin Spalding.

Granite City took the lead in the top of the fourth when Greg Ehlers and Derek Merz each crossed the plate.

Ehlers, who reached on a walk, stole second and scored when Cole reached on an error. Merz singled to left field, advanced to third on the

error that put Cole on and then scored when Thurman squeezed him home.

THE WARRIOR 5-4 lead, however, was short-lived. The Oilers rallied for four runs on four hits in the fourth to take an 8-5 lead.

Following a scoreless fifth, the Warriors cut Wood River's lead to one, 8-7, when both Greg Gobbie and Cole scored.

Both of whom reached on a walk, Gobbie stole second, advanced to third on a wild pitch and then when Rujawitz reached on an error by Oiler shortstop John Cafazza. Cole scored on Randy Burgess' single to center field after advancing to second on the same wild pitch which advanced Gobbie to third.

THE OILERS retallied in the bottom of the inning, getting two runs off reliever Scott Grote, the Warriors' third relief pitcher after starter Spalding.

Trailing 10-7 going into the seventh, the Warriors rebounded for three runs to tie the game at 10. Pinch hitter Pat Cathey got the Warrior offense off to a great start when he doubled to center field. Davis, who entered the game for Ehlers, singled to right-center field to advance Cathey to third before Mouldon, pinch-hitting for catcher Tim Shevick, loaded the bases when he walked.

THE WARRIORS picked up their first tally of the inning when Cole reached on an error by Cafazza which scored Cathey. Then came the bash.

Thurman picked up his fourth hit of the afternoon — a one-out two-RBI triple — which tied the game at 10.

The Warriors were soaring. After a scoreless Oiler half inning in the seventh, the Warriors began to work again in the eighth.

John Konkovich, who entered the game at third, reached on an infield hit and Cathey reached when the Oiler second baseman Matt Sabatino, booted a chopping grounder.

THE OILER defense, playing close hoping to make a play at the plate, held Konkovich to third on Davis' single to center field.

The Warriors then got some help from hitting reliever as Mouldon, pinch hitting for Shevick, was hit by a pitch which forced in Konkovich.

The Warriors picked up an insurance run when Cole singled to left field, scoring Cathey from third. The Warrior half of the inning ended, however, on that same play as the Oiler left fielder, Pat Watkins, cut Davis down at the plate for the third out.

TATE, the fifth Warrior hurler of the game behind starter Spalding and relievers Tim Gray, Tom Warfield and Scott Grote, picked up the win as he got the final six outs against seven batters.

The Warriors, who now have won three of their last four ball games, face Gateway East Conference rival Belleville Alhoff this afternoon at Varsity Field. Action begins at 4 p.m.

MADISON — When two winless teams meet the only sure thing that results from such a meeting is that one will pick up its first win of the season. Beyond that, anything else is only speculation.

Before Friday's Madison High-Venice High baseball game, Trojan Coach Ron Crader offered speculation as to the outcome of the afternoon's game between the two near rivals, a game his Trojans went on to win 16-6 in five innings.

"Whenever two teams with records like ours meet anything can happen. It may be 6-0 or it may be 8-5," Crader said jokingly.

OBVIOUSLY Crader's assessment was a bit satirical, but he was somewhat serious. At best, his Trojans play through their first eight games was inconsistent and sporadic.

Friday, however, was another story. The Trojans played their best ball game of the season as they turned back Coach Clinton Harris' hurlers for their first win of the season.

"This win really feels good," Crader began. "We were really up for this game, more than we have been. We were more competitive today."

The reason for that added competitiveness was as easy to find as nearby Venice. Plainly and simply, Friday's matchup with the Red Devils was the first win of the season.

THE THIRD Trojan to bat in the inning was Nathan Young. Young was hit by a pitch which put runners at the corners.

Patrick Wilson, a senior right hander for the Trojans who also picked up the win, batted in Marvill when his ground ball eluded Red Devil second baseman Darren

Wise. Wise, after recovering the ball, threw home attempting to get Marshall at the plate. The late attempt at home allowed both Young and Wilson to advance to second and third.

Leading 2-0, Trojan left fielder Chris Noud walked to load the bases for John Jackson who slapped a single to left center field, scoring Young and Wilson.

MADISON picked up its fifth and final run of the inning when John Verstraten swatted a bases loaded sacrifice fly to left field which scored Noud from third.

The Red Devils got three of those runs back in the top of the second when Wise, Damon Harris and Lonzie Helms each crossed home. Wise, who reached when he was hit by a pitch, scored when Trojan second baseman Patrick Glasper mishandled a Damon Harris' bouncing grounder.

Damon Harris, who stole second, scored on Helms' single to left-center field. Helms crossed the plate when Victor Jackson slapped a two-out single down the third base line.

IN THE second inning, the Trojans improved upon their 5-3 lead, getting back the three runs they gave up the inning before.

Wise reached on an error, scored when McGhee threw the ball over Venice first baseman Wallace Vandridge. Noud, who hit the grounder to make the bases empty, scored when he was hit by John

Young. Young was hit by a pitch which put runners at the corners.

Jackson who singled to left field and advanced to third when the ball escaped Venice left fielder Victor Jackson.

The Trojans' third run of the second inning came as John Jackson scored on a pitch which passed Venice catcher White.

VENICE managed to score one run in the third and two in the fourth, but it wasn't enough to overcome Madison's third and fourth inning efforts.

The Trojans scored two in the third and six in the fifth to breeze to the 10-run victory.

Already leading 10-6 through the top half of the fourth inning, the Trojans exploded for six more runs in the bottom of the fourth and win handily.

Madison's John Jackson started the inning off with a double to left field. Glasper reached on a walk and then Verstraten belted a two-run double to center field which scored both John Jackson and Glasper.

MADISON'S Smith advanced hit a

bloop single to short center field which move John Browley, who was pinch running for Verstraten, to third.

Marshall made it 13-6 when his single scored Browley, but the crushing blow came when Madison's Young belted a one-out two-RBI triple to deep right-center field.

The shot, a line drive which split Venice the Venice left and center fielders, scored Smith and Marshall.

Although the Red Devil hurler Craig Hamilton managed to strike out Madison's Wilson and Noud to retire the side, Young managed to score from third on a ball which passed Red Devil catcher White.

AS IT turned out, that passed ball scored Madison's 16th run which enabled the abbreviated five-inning contest.

"They were simply more aggressive than we were," explained Red Devil Coach Clinton Harris.

"They hit well and we made a lot of fielding errors. And, our guys are young. It's my first season as coach

and only the second of baseball at Venice. All this is a learning process, a learning stage."

Madison, now 1-8, will travel to Lovejoy this afternoon to face the Wildcats for a 4 p.m. contest.

Venice, now 0-5, will host Illini-Gateway Conference rival Livingston this afternoon at Lee Park. That game also begins at 4 p.m.

In Softball Saturday**Warriors drop twinbill to Mt. Vernon**By PAULA WISE
Of the Press-Record

MT. VERNON — After a disheartening 18-11 loss to Gateway East Conference rival Belleville Althoff Friday, the Granite City Warriors' softball team made the long trip to Mt. Vernon Saturday hoping to sweep a doubleheader.

Unbeknownst to the Warriors, the Lady Rams were making their own plans. Plans that didn't include a win for the Warriors.

The first game of the twinbill was a pitchers' duel as the Warriors lost 1-1. Granite City played excellent defense but could not solve the mighty Lady Ram pitcher.

In the second game, the Warrior bats came alive. Unfortunately for Granite City, so did those of the Lady Rams as they defeated the Warriors 22-12 to sweep the doubleheader.

THE TWO wins put Mt. Vernon's record at 7-1 with their only loss coming to perennial power, Herrin. The loss dropped the Warriors' record to 1-9, a record which leaves Warrior Coach Jim Davis dissatisfied.

"I think we've got ourselves into a rut," said Davis. "Until we get another win we're going to stay there. I still think we're going to win several games but they've got to do it. They've got to make the plays. When they don't we're not going to win."

"Right now they're playing really flat. They don't understand we've been playing some of the top teams in the area."

IN BOTH games, Saturday, the Warriors had a chance to capture that victory which Davis feels his team so desperately needs.

In the first game, Warrior pitcher Michelle Staggs held the Lady Rams to just two runs in the first four innings.

Granite City scored its run in the top of the fifth to make the score 2-1. With two out Vicki Smith hit a double into center field to score Jill Wertha, who had walked earlier in the inning. The Warriors were unable to tie the score, however, as Leigh Ann Fanning popped out to the shortstop.

ERRORS proved to be the death of the Warriors in the fifth inning as the first two Mt. Vernon batters reached on Warrior errors. Both girls came around to score on a single by Sarah Braun.

The Warriors made a run at the

Lady Rams in the top of the seventh when after Wertha popped out to the third baseman, Julie Briggs reached on the only Mt. Vernon error of the game.

Patrick Hutchings followed with a walk to give the Warriors two on with just one out. However, Smith struck out and Fanning hit a grounder to the second baseman to end the inning and the Warriors' chances of a comeback.

IN THE second game it looked like two different teams on the field. In fact, it almost was as both coaches made several changes in their lineups.

"We wanted to let everyone play," said Davis. "There isn't that great a difference in the skill level of the players that I can't make changes and still feel confident we have a good team."

The Lady Rams jumped to a quick 6-2 lead after just one inning in the second game. However, the Warriors came back to tie the score in the second at six.

The Warrior bats came alive in the top of the third to score six runs on just one hit to put the Warriors on top 7-1. That was to be the Warriors last run.

MT. VERNON scored five runs in the next three innings to tie the score at 12-12 going into the sixth inning.

Then came disaster. The Warriors were unable to score in the top of the inning as two key baserunning errors took the Warriors out of the inning.

The first error came when pitcher Michelle Staggs failed to run out a foul ball that hit a dirt clod and rolled back into fair territory. Staggs was thrown out on the play.

The second error came when Leigh Ann Fanning, who was on third base, failed to tag up on a fly

ball hit to the right fielder. This run would have put the Warriors on top 13-12 and given them a mental edge going into the bottom of the sixth.

IT WAS evident the errors upset the Warriors as they walked onto the field for the bottom of the inning.

The Mt. Vernon bats came alive to score 10 runs on six hits, six walks and one error to make the game by the 10-run rule after six innings.

"When you've got two innings left and you've got the lead you've got to win the last two innings," said Coach Davis. "We made two key base running errors in the last inning. You can't make those kinds of mistakes. That's what makes the difference between winning and losing."

SEMC hosts Heart and Sole Run May 19th

St. Elizabeth Medical Center will sponsor a one- and five-mile fun run on Saturday, May 19 to benefit the Coronary Care Unit at the facility.

Entitled the Heart and Sole Run, both runs will begin and end at the medical center. The five-mile run will begin at 9 a.m., followed by the one-mile fun run which will begin at 9:15 a.m.

The entry fee for both runs is \$5 per person, and the first 250 entrants will receive surgical scrub shirts. All finishers in both runs will receive certificates.

Persons wishing to register may do so in either the public relations department or the social work department of the medical center. Checks should be made payable to St. Elizabeth Medical Center.

Persons may also register the day of the runs in the medical center lobby between 7 and 8:30 a.m.

Eagles Aerie 1126 initiate 10 members

Eagles Aerie 1126, 2538 Madison Ave., held an initiation ceremony for new members Larry D. Garner Sr., John J. Worthen, Truman L. Snider, Paul E. Azerold, Walter C. Milton, Robert D. Kraatz, Carl E. Clayton, Melvin A. Gray, Danny L. Taylor and Eugene K. Brominski.

Walter Rickert and Lou Torres were the investigating team for the new initiates.

Members of the initiating (ritual) team and the officer they held were Dick Brown, past junior president, Randy Odom, president, Harold R. Love, vice president, Larry W. Barnhart, chaplain, Bob Stanton, conductor, John Aubuchon, secretary, and Bud Shaffer, inside guard.

President Randy Odom called the meeting to order and opening prayer was given by Chaplain Larry W. Barnhart, presentation of the American Flag, Bible and Eagle was made by Conductor Bob Stanton. Reports were given by secretary John Aubuchon, Treasurer Don Gray, and Trustee Larry Patton.

Roll call of officers included: Dick Brown, past junior president, Odom, president, Harold Love, vice president, William Barnhart Jr. pro-tem, Bob Stanton, conductor, Larry W. Barnhart, chaplain, Bud Shaffer, inside guard, John Aubuchon, secretary, Don Gray, treasurer, and Larry Patton, Chris VonNida and Greg McCall trustees.

Odom introduced Jack Orwig, president of Rosford, Ohio, Eagles Aerie 2322, and asked if he had any comments to make to the local Aerie. Orwig stated "I have enjoyed my visit to your club and like the way your meetings are conducted. I will be moving to Granite City sometime during the end of July and am presently traveling to my home town in Perryburg, Ohio, on weekends, while working here in Granite during the week. I wish to thank you, Mr. Odom and the members of this club for the hospitality shown to me while in this area."

Sick and Visiting chairman, Harold Love noted that Chuck Ousley and Tom Hedrick were presently in the hospital.

Don Gray gave a report on the club's 35 and older slowpitch softball team, followed by the bowling report by Don Horn.

Larry W. Barnhart, chaplain,

Causes \$800 damage with homemade bomb

A 15-year-old Granite City youth allegedly was responsible for making a homemade bomb, using copper pipe and powder from firecrackers that blew out the glass in a sliding door and caused \$800 worth of damage.

Ken Lewis, a contractor who is constructing a home for Richard Buenger in the 3400 block of Princeton Drive, advised police of the incident last week.

An investigation by officers led to questioning of the youth at his home. The 15-year-old admitted making the device and putting it in the handle of the sliding glass door, reports said.

The youth's father agreed to make restitution for the damage and the owner declined to prosecute, it was noted.

Lewis also talked with police during the weekend, reporting several new homes he is building on Colgate and Princeton drives have been damaged by vandals in the past two weeks.

He said lumber has been thrown around the property and windows were broken. The latest damage, at the time of the earlier report, was a broken window and sash in a new home. Replacement cost was more than \$100.

ST. LOUIS MAN HURT WHEN CAR HITS RAILING

James M. Janson, 22, of St. Louis, Mo., suffered injuries here last week when his car collided with a guard rail on the McKinley Bridge.

Janson said he was westbound on the bridge when he hit a slick spot on the pavement and lost control of the vehicle, hitting the railing.

said, "I have some interesting information to report to you concerning Mother's Day that was printed in the Eagle Magazine, in the last issue."

Barnhart continued, "Did you know that the first Mother's Day present was a postcard?"

Two years before Eagle editor, Frank E. Hering, the father of Mother's Day, made his famous speech launching the annual holiday at the English Opera House in Indianapolis, he visited a classroom at Notre Dame University. A friend of his taught English there, and as Hering watched the entire class hard at work on a writing project, he was amazed at their ardent concentration. What, he asked his friend the English professor later, were they working so diligently at?

"One day each week, he explained, he handed out penny postcards to every student in class. The assignment was to use the postcards to write a message to their mothers. It had gotten so, said the professor, that the students had come to look forward to their weekly 'Mother's Day.'"

Thus was the idea of a national day set aside to honor mothers motivated Hering, two years later to urge the public in this honor.

The rest is history, and a rich full history it is, as every year the Fraternal Order of Eagles has been the leader in honoring mothers on the day we established for them. Throughout the country, Aeries and Auxiliary have been the focal point of Mother's Day observances in their communities, sponsoring

breakfasts or dinners and musical concerts for "moms" on their day.

May 13 is Mother's Day this year. On Mother's Day, 1984, let's send our mothers a message that can't get lost in the mail, "Barnhart concluded."

President Odom announced that the nominations for Aerie Officers for the next year was held on April 25, with Walter Rickert and Lou Torres as the nominating committee, election of officers and delegates to the 76th Illinois F.O.E. Aerie slate convention will be on May 2, with Walter Rickert, Lou Torres and Ron Wilbur as the election committee, the annual Mother's Day dinner for

Eagle Auxiliary mothers will be on May 8 at 6 p.m., the Aerie and Auxiliary officers breakfast at 9 a.m. on May 26, with the F.O.E. Aerie District 7 meeting to take place at the Belleville Aerie 743 at 2 p.m. the same day.

ARRESTS IN DISTURBANCE

Steven P. Waltemate, 22, of 212 Wilson Park Lane and Charles T. Davis, 23, of 2151 Benton St. were arrested last week at the Benton address. Darla Modlin alleged that Waltemate struck her in the chest and broke a front door glass and furniture. Waltemate, charged with property damage and two counts of battery, was released on \$256 bail. Booked for battery, Davis posted \$102.

BOY REPORTS BEING BEATEN BY 4 YOUTHS

A Madison student, age 14, reported being beaten by four youths while walking home from school at 4:30 p.m. Friday. The injured youth suffered bruises to his face and abrasions to his neck, back and arms, reports said.

The boy said the foursome asked him where another youth was and when he replied that he didn't know, the assailants grabbed him, threw him to the ground and beat him.

The incident occurred in the 1900 block of Rhodes Street. The youths fled when a man came out of a nearby house and shouted at the group.

Granite Chapter 650 drapes altar

A semi-monthly meeting of Granite Chapter 650, Order of the Eastern Star, was conducted by Worthy Matron Betty Kelso and Worthy Patron Neal Kelso, at which time the altar was draped in memory of a deceased member, Mrs. Shirley Stanfill.

Mrs. Lois Hebblethwaite reported for the examining committee, and eight members and visitors were introduced following the presentations of 15 grand chapter committee

members, 13 of whom were past matrons and two past patrons.

Conductress pro tem, Isabel Dieckmann and Associate Conductress Varsenig Throne, assisted by Past Matron Dorothy Watkins, serving in the office of Esther, draped the altar.

The worthy matron announced those listed as being ill included Mary Hoover, Ruth Dick, Ruth Cox, Karen Graham, Louise Hendricks, Kathryn Roman, Blanche Lane and Jerry Fisher.

Mrs. Kelso extended appreciation to the Past Matrons Club for the honor they accorded her and the worthy patron by inviting them as guests of honor at a previous meeting of the group.

At the conclusion of the meeting the worthy patron thanked Mrs. Dieckmann for serving as pro tem officer for the session and invited all to the dining room for refreshments. Decorations were in an Easter motif with bunnies and lambs that were later used as attendance prizes.

The birthdays of Lois Hebblethwaite, William MacDonald, John Boyer and Neal Kelso were remembered in song by all members present.

DUV celebrates 50th anniversary

The 50th anniversary of the local chapter of the Daughters of Union Veterans of the Civil War (1861-1865) was observed at a luncheon meeting, Thursday, at Ervay's Restaurant, at which time charter members were accorded special honors.

Mrs. Arline Fox, patriotic instructor, introduced 50-year members, Irma Taylor, Lethia Gitchoff and Louise Thompson and noted another member, Mrs. Irene Haug, was unable to attend.

All are past presidents of the local organization and three were past department president. Each one was commended for their loyalty and many years of service, as Joyce Moran, hostess for the day, presented them with a special gift.

Mrs. Bessie Seibold, president,

opened the business segment followed by prayer led by Chaplain Maud Lewis. All repeated the pledge to the flag in unison.

A letter was read from the Department of Illinois noting the department convention will be held June 9 at the Ramada Inn in Bloomington, Ill.

Mrs. Thompson reviewed activities of the 28th annual Lincoln Tomb ceremony, that was the 10th anniversary commemorating the death of Abraham Lincoln. The April 14 service was conducted by Sons of Union Veterans of the Civil War, assisted by the Military Order of the Loyal Legion of the United

States, with participation by other patriotic societies and veterans organizations.

There were 54 organizations presenting memorial wreaths, Mrs. Thompson noted. Other local members attending the ceremony were Peggy Gibbons, Lethia Gitchoff, Arline Fox, Jeanette Kraus, Maud Lewis, Joyce Moran, Irma Taylor and Bessie Seibold, with guests, the Rev. Don Pierson, Lumeta Durbin and Velma Farnance.

Games were held after the meeting and the top prize was awarded to Mrs. Fox. The next session is planned for May 24 at Ervay's Restaurant. Also present for the anniversary party were Vivian

Rowden, VI Kassabaum, Enid Bolin, Janette Kraus, Vernice Walter and Peggy Gibbons.

Navy Mothers finalize installation arrangements

Final plans for the installation of newly elected officers of the Quad-City Navy Mothers, Chapter 850, were announced at a social meeting held, Thursday night, at the VFW Hall, by Commander Nina Molsinger.

The formal public event will take place at 8 p.m. on Saturday, May 5, at the VFW Hall, 2044 Washington Ave., she explained.

Plans include a variety of prizes to be awarded, dancing to the music of the Three Winds and a luncheon. A handmade quilt will be presented as the top prize for the night. Mrs. Margaret Crinsaw will preside at the piano as the officers are installed, the commander added.

During the meeting, members agreed to donate \$25 to the Memphis Naval Hospital and \$25 to Camp LeJeune, N.C. Edna Miller was elected to the office of chaplain at a previous

meeting and the announcement was inadvertently omitted in the newspaper article.

The mystery and special prize for the session was won by Stella Miller and winners in the games were Mrs. Molsinger and Norma Darnell. Refreshments were served after the meeting including a birthday cake made for Mrs. Darnell.

VFW Auxiliary elects officers

Officers to serve the VFW Post 1300 Auxiliary for the ensuing year were elected at its monthly meeting conducted by the retiring officer, Mrs. Olie Conaway, president.

Those elected included, Loretta Rose, president, LaVern Mull, senior vice president, Eleanor Meyers, junior vice president, Cleo Schnefke, treasurer, Lois Hansen, chaplain, Sandra Brewner, conductress, Vernice Dowdy, guard and Shirley Brewner, 3-year trustee.

Chaplain pro-tem LaVern Mull offered the opening prayer and noted the charter was drawn in black in memory of two members who died in March. Mrs. Shirley Stanfill who died March 22 was the first auxiliary president and served in 1933. Mrs. Clara Earney died March 13.

A new member, Beinda Murphy, was installed during the session. Hospital Chairman Rose Dowdy gave a report on a visit to the Alton Mental Health Center where she

took 10 dozen cupcakes and colored eggs for the patients party.

Mrs. Conaway announced the Memorial Day Parade is scheduled in Granite City for May 28 and the auxiliary needs volunteers to serve as flag and banner bearers.

Members agreed to donate money to the Granite City High School Band for bus fare and to sponsor Chuck Gilbert in the March of Dimes walkathon.

Mrs. Carolyn Gilbert, poppy chairman, announced there will be an auction held at the post home on May 18 for the Buddy Poppy Fund. Refreshments were served after the business meeting.

Mrs. Nell Talley feted at club meet

Members of the Butterfly Club honored Mrs. Nell Talley on her birthday at a meeting hosted by Mrs. Thelma Schmidt, Thursday night.

During the evening pinocchio games were played with prizes going to Mary Lou Claussen, Lorraine McIlvoy, Harriet Hoff, Katie Hommer, Juanita Rosenberg and Edith Ryan.

Also attending were Irene Willis and Hazel Rollins. Mrs. Willis invited the group to meet in her home for the next gathering.

Fellowship celebration at Niedringhaus Church

"The Family-A Portrait of Change" will be the theme for the annual May Fellowship celebration of the Quad-City Church Women United to be held on Friday, May 4, at Niedringhaus United Methodist Church, 20th Street and Delmar Avenue, Mrs. Ola Jones, president, announces.

The affair will begin at 9:30 a.m. and will feature guest speakers, Don J. Szymula, supervisor of Granite City Field Office of Illinois Department of Children and Family Services, and Miss Terry Hamilton, secretary on the national staff of Church Women United as director, Constituency Development.

She will speak on the "Family Religious Involvement in Our World Today." Professionally, she has 13 years experience specializing in program development, management and evaluation in education for the disadvantaged. Her particular focus has been with adolescents and adults.

Recently, she has expanded her professional focus to include an interest in health care delivery systems. Through her working years, the featured speaker has worked with Trio programs, Higher Education Opportunity Programs, Right to Read, Cooperative Education, and with ex-addicts and sex offenders.

Presently, she works as co-convenor of the Day Care Task Force for the Interchurch Center and is a member of the National Interreligious Task Force on criminal justice, and a commissioner of the Office of Black Ministry for the Archdiocese of New York. In 1983 she was named Outstanding Young Woman of America.

Specializing in Afro-American and African Art History, Miss Hamilton holds a B.A. Degree in Humanities, and an M.A. degree in Administration in Higher Education from Teachers College, Columbia University.

She attended college under full academic scholarship and was awarded several scholarships for graduate school. After completing her master's degree, Miss Hamilton was selected as Administrative Intern to the Dean of Academic Affairs at Teachers College where she helped develop and operate a curriculum development research project in East Africa.

A resident of New York City, Miss Hamilton is a black Roman Catholic

TERRY HAMILTON

and was born and reared in rural farming areas of New York and New Jersey.

Mrs. Mabel Gertsch will receive the Least Coin offering during the event and a salad luncheon will conclude the celebration, Mrs. Jones explained.

The public is invited to attend, the president added.

Business and Professional Women celebrate 62 years of service

The Granite City Business and Professional Women's Club observed its 62nd anniversary, last month, since on April 7, 1922, they received their charter and became affiliated with the Illinois State and National Federation, and were the second club to be chartered in the district.

The first state convention was held in the senate chambers in Springfield, Ill., 1922, and the Granite City Club, one of the 10 original clubs in Illinois, was represented by a delegation of local business women.

A five point program was adopted with the establishment of the club. The organization was designed to promote the interests of business and professional women; to bring members into a relation of mutual helpfulness; to stimulate cooperation among business women; to unite them in thinking groups for service in the advancement of their cause, and that other women; and to do whatever possible for the advancement of the community.

Through the years the organization has been involved and will continue to be involved in community projects. Some of the outstanding projects that have been accomplished are as follows: with the unanimous consent of the city council, the club established a park on the lot where the city hall now stands and maintained the park at a cost of \$380 a year. Also, during this period the club sponsored the changing of street designation from letters of the alphabet to full names. At a cost of \$1,800, the club financed the change and erection of new street signs in Granite City.

Upon completion of the new Granite City Public Library, a set of "Cyclopedia of Painters and Paintings" was presented to the library board.

An employment bureau was maintained for members until 1929, and in cooperation with other local organizations, the members worked toward the establishment of mail service in the section of Granite City now known as Tri-City Park; in the permanent routing of highways 3 and 4 over Madison Avenue and the new viaduct. Members also worked enthusiastically raising funds for the schools' hot lunch project.

They supported the "Rivers and Harbors" bill as a benefit to the community, and during World War II, the club had representation on the Civilian Defense Council, U.S.O. Council, and the Post War Planning Commission of Granite City and Madison.

The club championed a movement toward organizing a Hospital Auxiliary, and donated \$312 to furnish a room at St. Elizabeths Hospital.

The late Mary Morlien of Granite City, honored the club in 1946 by appointing one of our members to serve on the City Planning Commission. In 1949, the club donated ping pong tables and all equipment for the Madison Teen Town. A donation of \$100 was also given to the Madison Recreation Center. Also, in 1952, new tables were purchased and presented to the YMCA at a cost of \$300.

The local club became a member of the Granite High School Scholarship Foundation in 1955, with a contribution of \$100, and still maintains membership on the board.

In other projects the members worked with other organizations to obtain approval for a new post office

in Granite City; gave \$500 to the Shrine's Crispold Childrens Hospital, \$500 to the Salvation Army Building Fund, and gave a Geriatric chair to the Madison County Nursing Home; raised a record of \$4,000 in four hours manning the telephones for Channel 9; held a woman involved career workshop which was attended by 125 non-members from the Metropolitan area including St. Louis. This workshop informed women on the conditions and advantages for working women; in cooperation with the Chamber of Commerce sponsored a candidates debate for the Mayor's race; furnished a room at the Alpha Center.

Two members have served in the city government, one as a justice of the peace, and the other as the first alderwoman in Granite City.

One of the outstanding National Programs which the club has supported is the Individual Development Program, which is a leadership training program that develops leadership skills and the ability to

speak with poise and confidence. Granite City has produced seven district, two state, and one national winners in speech.

One of the major fund raising events sponsored by the club is an annual style show which is supported by the local merchants. These funds are used for providing scholarships.

Members of the club serve or have served on the library, church, school Advisory Board, and Salvation Army, Madison County Heart Association, Arch House, and the Madison Red Cross Board. The local club has received many awards and recognition at the state and national conventions.

The meetings are held the third Wednesday of each month and the place and program topic is announced in advance. For further information, anyone interested is advised to contact Joyce Benington, president at 876-2224 or Rosalie Stern, membership chairman, at 452-2777.

Mr. and Mrs. Gerald Grasso mark 25 years of marriage

Former Granite City residents, Mr. and Mrs. Gerald Grasso, who now make their home in Lutesville, Mo., were guests of honor at a reception held at the Knights of Columbus Hall, 21st Street and Edison Avenue, marking their silver wedding anniversary.

Mr. Grasso and his wife, the former Janette Foulk, were married on April 21, 1959, in Jacksonville, Fla. They lived here for 16 years until Mr. Grasso retired from the Frisco (Burlington) Railroad in St. Louis, and moved in August to their present address.

Hosting the social event were their two sons, Russell Grasso of Lutesville, and Mark Grasso of Granite City, and a daughter, Lorinda Grasso of Lutesville.

Approximately 70 relatives and friends attended the social affair.

Mr. and Mrs. Gerald Grasso

30th anniversary of Mr. and Mrs. Meier

Mr. and Mrs. Arthur W. Meier, 1612 Clark St., will celebrate their 30th wedding anniversary at a dinner party with their family, Tuesday, at the Spaghetti Factory in St. Louis.

Lifelong residents of Granite City, the guests of honor were married on May 1, 1954, at Concordia Lutheran Church, 2301 Grand Ave.

Mr. Meier worked at the U.S. Army Troop Support Command for many years and retired in 1977. He is a member of the National Association for Retired Federal Employees and the American Association of Retired Persons.

They are the parents of two children, David Meier who is attending Western Illinois University at Macomb, and Susan Meier of Granite City.

Presbyterian Women host guest luncheon

The United Presbyterian Women entertained members and guests at its annual guest day luncheon held, last week, at the First United Presbyterian Church.

Program Chairman Gladys Pape introduced Mrs. Rosemary Clark of Troy, Ill., who is a member of the area Greater St. Louis Doll Club. She displayed and spoke about various collectible dolls some of which were antique models. During the program four dolls were also exhibited by Mrs. Della Aulabaugh who has assembled a

large variety in her travels in this country and abroad. Others showing unique dolls were Mesdames Marguerite Barker, Bert Van, Barbara Landis and Julia Benfield.

President Betty Schmucke introduced the Rev. and Mrs. Richard (Julius) Hunt as special guests. Rev. Hunt also offered the invocation.

There were 70 members and guests present and prizes were awarded to Lucinda Huck, Wanda Moore, Pauline Aufderheide, Helen Galinsky and Della Aulabaugh.

Gardening tips is topic of Christian Women's meet

The Madison County Christian Women's Club will feature gardening tips for growers at its "How Does Your Garden Grow" luncheon, Tuesday, May 8, at noon. The two-hour luncheon program will be held at Randy's Restaurant in Troy.

Jim Lyos, owner of the Trojan Nursery in Troy, will speak on spring planting and give helpful hints for the gardens.

Special music for the occasion will be presented by Valerie Mueth from Collinsville. A mezzo soprano, she has performed with the Masterworks Choral in Belleville.

Mrs. Sinnett hostess to Lydia Circle meet

Mrs. Dorothy Sinnett entertained the Lydia Circle of Nameoki United Methodist Church in her home for its April session. She served a dessert course with Mildred Hess offering the blessing.

After luncheon several poems were read by Mary Bailey, Bees Rucker, Blanche Debow, Marie Isenburg, Gladys Russell and Marie Long. Mildred Hess also read an article from the Upper Room booklet.

The business meeting opened with reports given by the secretary and treasurer. It was announced the Mother and Daughter Salad Buffet will be held on May 14 featuring a program to be performed by the Kings Kids, a puppet group. Tickets are now on sale from any member of the United Methodist Women.

The remainder of the afternoon was spent in learning and making yarn flowers.

Mrs. Long will entertain the circle in May and the members will discuss unit September when they will attend a potluck luncheon at the home of Mrs. Lucille Webb with Mrs. Effie Vrenick serving as co hostess.

Mrs. Gladys Russell gave the closing meditations.

Gardeners Club attends conference

The Gardeners Garden Club members participated in the 49th Annual Conference of the Illinois Association of Water Pollution Control Operators, held in Springfield last week.

Terrence McMillan, manager of the Granite City Sewage Treatment Plant, is president of the state association, and presided at the business sessions of the conference.

One session during the spouses' program, the garden club presented a program on the art of preparing and arranging material to create floral pictures. Mrs. John Farrell and Mrs. A. A. Malott demonstrated the procedures. They were assisted by Mrs. Richard Kerch.

A conclusion of the program they presented pressed flower book marks to all attending the program.

Other members assisting with the program included: Mrs. Charles Kohl, Mrs. Roy Hormann, Mrs. William Long, Mrs. Mary Kristian and a guest Mr. Doris Elliott.

First child for former residents

Mr. and Mrs. Jeffery (Cynthia) McKenney of Wilcox, Pa., formerly of Granite City, are announcing the birth of their first child, a daughter, born April 16 at a Wilcox hospital. The infant has been named Stacy Lynn and she weighed six pounds and nine ounces.

Grandparents are Mrs. Vickie McKenney of Granite City, Darrell McKenney of St. Louis and Mr. and Mrs. John Grotzinger of Wilcox, Pa. Mr. and Mrs. Hank Bridges of Madison and Mrs. Dora McKenney of Golden Eagle, Ill., are the infant's great-grandparents.

SIUE celebrates Founders' Day

The first Founders' Celebration of Southern Illinois University at Edwardsville, scheduled Sunday and Monday, May 6 and 7, will feature a memorial concert honoring the first president of the university, a convocation recognizing the individuals and organizations whose leadership was responsible for the founding of the university, and dedication of the university's first permanent gymnasium and multipurpose building, the Sam M. Vadalabene Center for Health, Recreation and Physical Education.

The ceremonies will begin at 2:30 p.m. Sunday, May 6, in the University Center conference area with the premiere public performance of a specially-commissioned chamber music work dedicated to the memory of Delyte W. Morris, first president of the university. The concert, presented by nine members of the faculty from SIU at Carbondale and Edwardsville, will be conducted by the composer of the work, Marcia Ann La Reau, assistant professor of music and director of bands at SIUE.

THE FOUNDERS' Celebration will continue Monday mornings, May 7, with a convocation at 11 a.m. on the west lawn of Classroom Building III. A series of bronze plaques will be unveiled commemorating landowners whose property became part of the main campus, major contributors to the land acquisition fund, craftsmen and laborers who lost their lives in the

construction of the permanent campus, members of the Southern Illinois Council for Higher Education and the first faculty and staff.

At the conclusion of the ceremonies, Gov. James R. Thompson will speak, and the \$12.8 million Vadalabene Center will be dedicated. State Senator Sam M. Vadalabene, of Edwardsville, in whose honor the building was named, will address the convocation following the unveiling of the building plaque, and the new multipurpose center will be opened for a reception and public tours.

Designated representatives of the groups to be honored include: The Southwestern Illinois Council for Higher Education—Mrs. George T. Wilkins, Sr., Granite City, and Karl Monroe and Irving Dillard, both of Collinsville.

THE LANDOWNERS' Charles Trosky, Mrs. Clarence O'Brien and Mr. and Mrs. William Rohrkaste, all of Edwardsville.

The Land Fund Contributors—Charles Schmidt, Albert Cassens and Robert Richards, all of Edwardsville.

The Founding Faculty and Staff—William T. Going and Howard Davis, both of Edwardsville.

LABOR MEMORIAL—Dean Turner, secretary-treasurer, Southwestern Illinois Building and Construction Trades Council. Others participating in the Monday convocation will include

members of the SIU Board of Trustees, SIU Chancellor Kenneth A. Shaw, SIUE President Earl Lazerson, musical groups from the university department of music, the Rev. Joe Santee of the campus ministry, and the Rev. Roger Simpson of St. Mary Catholic Church, Edwardsville.

The Tower Lake recreation area parking lot and sections of the parking lot serving Classroom Buildings II and III will be reserved for convocation guests.

IN THE EVENT of inclement weather, the convocation will be held in Meridian Ballroom in the University Center, with guest parking reserved in the University Center visitors lot.

Delyte Morris served as president of SIU from 1948 to Sept. 1, 1970. He was instrumental in the founding of the Edwardsville campus, which began with the establishment of residence centers at Alton and East St. Louis in 1967. The permanent campus was opened in 1965.

The Southwestern Illinois Council for Higher Education (SWICHE), established on Sept. 25, 1956, was a group of representatives of business, labor, public and private schools, civic groups and governing bodies in Madison and St. Clair Counties who were charged with transforming higher education needs in Metro-East into feasible plans. On Oct. 28, 1959, the SIU Board of Trustees and SWICHE established a working relationship and began plans for the creation of SIUE.

SPRING COMES TO THE UNIVERSITY CAMPUS. Kristin Nolte admires the daffodils blooming in profusion on the quadrangle at Southern Illinois University at Edwardsville. BAC workshop to teach basic management skills

"Building Basic Management Skills," which will begin Thursday, May 3, will teach students to identify and solve problems to make decisions, and to negotiate more effectively. Students will learn planning and organizational skills to help

then control their business while managing their time and coping with stress.

Students will learn all these things as they relate to the special needs of small businessmen, who are liable for every aspect of their businesses.

DR. ARTHUR E. Hoover, professor of management in the School of Business at Southern Illinois University at Edwardsville, will lead the workshop. He also has taught at Roosevelt University and the University of Akron.

He was president of Gordon, Hoover and Associates, Consultants and has spent more than 30 years consulting for small businesses. He is president of Centre Development Associates, Ltd., a Missouri-based investment company.

The workshop will be from 8 a.m. to noon Thursday, May 3; Friday, May 4; Thursday, May 10; and Friday, May 11, at Fischer's Restaurant, 2100 W. Main St., Belleville.

THE REGISTRATION fee is \$30 and payable to Belleville Area College. This fee includes conference materials, coffee and rolls.

For information and to register, interested students may call the BAC Business Assistance Center, 1-235-2700, extension 250.

'The Fantasticks' is presented at SIUE

"The Fantasticks" will be presented by the Southern Illinois University at Edwardsville Theater from May 10 through 13 in the Communications Building theater on campus.

The opening of the popular musical is at 8:15 p.m. on Thursday, May 10. Additional performances are set for 8:15 p.m. on Friday and Saturday; a matinee at 2 p.m. Sunday, May 13, will close out the run and the 1984 season for the SIUE Theater.

BASED ON AN Edmond Rostand play entitled "The Fathers," "The Fantasticks" has had an unprecedented continuing run in New

York; it has proved attractive to audiences nationwide wherever it has played. Tom Jones wrote the book and lyrics and Harvey Schmidt the music.

Among the song and dance numbers are the now standard: "Try to Remember," along with "It Depends On What You Pay," "The Rape Ballet," "Plant a Radish," and "They Were You." Featured in SIUE cast are Frast Joachimstaler as the swash-buckling narrator El Galo, Karen Fisher as the romantic young Luisa, and Michael J. J. as the deadpan Ernest Matt.

SUPPORTING characters include

Howard Bell and Keith Shaw playing the fathers Huckabee and Bellomy, Jiff Hoyer as Henry the old actor, Tim Lipe as his sidekick Mortimer, and John Cange as the mute.

The SIUE production is directed by William J. Favina, director of performance in the department of theater and dance. Musical direction is by Stephen Brown, dance choreography by a Robert Goodwin.

Free parking is available for all performances behind the Communications Building. Ticket and reservation information may be obtained by calling 1-692-2773.

Cassens, Vadalabene honored by group

Albert Cassens, a prominent Edwardsville businessman, and State Senator Sam Vadalabene, also of Edwardsville, have been initiated as honorary members of Sigma Phi Epsilon fraternity at Southern Illinois University at Edwardsville.

The induction of Cassens and Senator Vadalabene at ceremonies this month was part of the fraternity's national program to initiate outstanding individuals from the community. For consideration, in-

itatives must demonstrate the fraternity's principles of virtue, diligence and brotherly love.

CASSENS HAS BEEN honored as an area business leader and benefactor of the university. He received a Distinguished Service Award from SIUE at commencement ceremonies in 1974.

Senator Vadalabene also has received a variety of awards for his

service in the General Assembly since 1977. The fraternity citation emphasized he has been a "consistent, forceful advocate on behalf of the university."

Sigma Phi Epsilon was founded at Richmond College in 1901. Currently, campus members number more than 12,000 including more than 250 undergraduate and alumni members of the SIUE chapter.

BAC hosts benefit

Belleville Area College's Duchman Express will present Lou Henson, coach of the Big Ten champion Illinois basketball squad, as featured speaker at its annual dinner Thursday, May 3.

The dinner raises money for athletic scholarships at BAC. The generosity of the Duchman Express members has made it possible for over 100 men and women to gain a college education while pursuing athletic interests.

PAUL ALEXANDER of KMOX-TV Channel 4 will be the master of ceremonies.

The dinner will begin at 7 p.m. at Fischer's Restaurant in Belleville. The BAC Jazz Lab Band will provide the music.

The \$15 tax-deductible donation includes a buffet dinner. A cash bar will also be available.

TICKETS ARE available by calling the BAC Athletic Department at 1-235-2700, extension 271. They also are available at Fischer's Restaurant and Curt Smith's Sporting Goods Store in Belleville.

NOTICE Of hearing on pro-
posed zoning change.
Notice is hereby given to all
persons concerned that a pro-
posed zoning change, which is
subject to Section 9-4 of the
Ordinance No. 3818 of the City
of Granite City, Illinois, the
City Plan Commission will
hold a public hearing in the
City Council Room, City of
Granite City, Illinois, at 8:00
p.m. on the 17th day of
May, 1984, at which meeting
it will consider a petition for
the amendment of Ordinance
No. 3818, (being the
Zoning Ordinance of said City
of Granite City) as amended
by the following described real
estate, to-wit: (Legal
description—lot or block
subdivision.) A tract of land
located in the fractional
Southwest Quarter of Sec-
tion 5, Township 3 North,
Range 9 West of the Third
Principal Meridian, Madison
County, Illinois, more fully
described as follows: Commen-
cing at the Northwest corner of Lot 20
in "Norwood Terrace" Sub-
division, of the same, and
appears in Plat Book 25 at
Page 43 of the records of the
Recorder of Madison County,
Illinois, thence North
along the Northernly extension
of the West lot of said
"Norwood Terrace" Sub-
division, a distance of 49.0
feet, thence East deflecting
to the right with an angle of
89 degrees 36 minutes to a
distance of 1,138.14 feet to
the center line of the Old
Alton and St. Louis Road;
thence South along the said
center line with an angle of
87 degrees 22 minutes a
distance of 90.07 feet; thence
South along the said center
line with an angle of 87
degrees 22 minutes a
distance of 198.57 feet;
thence continuing South
along the said center line
deflecting to the left with an
angle of 3 degrees 45 minutes
a distance of 161.29 feet to
the center line of the Eastern
extension of the North line
of "Norwood Terrace" Sub-
division, thence West along
said line and the North line
of "Norwood Terrace" Sub-
division, a distance of
1,178.14 feet to the point of
beginning, in Madison Coun-
ty, Illinois. Said amendment
would change the zoning
classification of the real
estate herein described from
an R-2 Single Family Residence
District to a C-2 Commercial
Service District. This property
is also known as

IN LOVING memory of
HARVEY BARBER, who
passed away April 30th,
1984. Happy hours we once
enjoyed, how sweet the
memory still. He has left a
loneliness, the world can
never fill. — Sadly missed
by his family, Midway
Achor and Boots Stanton. 32 4 30

IN LOVING memory of
ANNA KIPAN, May 1, 1979.
— Sadly missed by Sons and
Daughters. 32 4 30

IN LOVING memory of
OPAL BRUNCH, April 30,
1984. Deep in our hearts you
are fondly remembered;
Sweet, happy memories
remain to us. You will
live in our hearts. True
hearts that loved you with
devotion, the same hearts
will love you in death just
the same. — Sadly missed
by Husband and Children. 32 4 30

THREE YEARS have gone
since my ERICA passed
away. I still have many
memories to console me
each day. Time wasn't
right, yet you're better
off than me, and I'll always
love my girl I can no longer
see. — Sadly missed by
Dy, Jerry and wife, Melody. 32 4 30

IN LOVING memory of
the woman I always love
DEBBIE EDWARDS, who
passed away April 10, 1983. I
love you always. Jerry
Sidwell. 32 4 30

IN LOVING memory of my
friend, DEBBIE ED-
WARDS, who passed away
April 10, 1983. It's a couple
weeks over a year since
Debbie passed away, but I
still see her beautiful face.
A face filled with love for
her children and her friends.
The man she loved, and
many many friends. So, I'm
putting this in the paper
for the memories for one year
that she's been gone. There's
never a day that passes that
I don't think of her or
remember her sweet smile
and love. I know that anyone
who really knew Debbie
knows the feeling I have for
the great woman I lost.
We've lost but I feel better
knowing that she is in
Heaven smiling down on us.
Always friends, Sharon and Family. 32 4 30

PREPARING KITES as they get ready for the 1984 Boy Scouts of America scout-o-rama are these members of Cub Pack 21, which serves the Harris and Louis Baer schools in Madison. Theme of the scout-o-rama to be held at the Wilson Park rink is "Things That Fly." Shown at the Madison recreation center are (near side of table, left to right) Michael Finley, Mathew Marsala and Jeff Ellis; (back row, from the left) Michael Watson, Dennis Pinero, Harlan Kirk, Eddie Holtman and Alex Elkins. Leaders are Pat Kirk and Sharon Elkins.

Free language, hearing testing

The Easter Seal Society will conduct free language development and hearing screenings on Friday, May 4, at all three rehabilitation centers: 756 Central Ave. in Alton; 500 E. Main St. in Belleville and 3076 Nameoki Road in Granite City. Hours will be from 9 a.m. until 4 p.m.

The language development screenings are targeted primarily for young children who have yet to enter school. Any child will be checked if the parent wishes.

Also, adults who have suffered stroke or other illness that affects speech will be checked. The hearing screening will be done for any client above the age of 24 months. Both the screenings for speech and hearing are free of charge.

Parents who have concerns about their children's speech and language development are being encouraged to contact the Easter Seal Society center nearest them to schedule a time for testing. Each speech

screening takes less than 30 minutes. Referrals will be made if a speech or hearing problem is detected.

To schedule a time at the Granite City Easter Seal Center, Quad-Cityans may call 877-7800 Monday to Friday, 8:30 a.m. to 4:30 p.m.

PAWED JEWELRY STOLEN

A thief took pawed jewelry—three rings and a bracelet—from the Quad-City Loan Co., 1904 State St., last week. In an unrelated case at 1 p.m. Thursday, the boys about 15 years old, one with black hair and one blond, escaped on foot from the Superior Auto Body Co. parking area, 1431 Iowa St., after taking a key and cassette tapes from the parked auto of Theodore Adams, 508 Main St., Venice. A vandal damaged a window of the Hohl auto agency, 1837 Madison Ave., and windshields of six used cars in the lot there.

Conference studies operating businesses

Southwestern Illinois small business owners and managers can learn the basics of operating a service business at a four-session training course offered by the Southwestern Illinois Small Business Development Center (SBDC) May 1, 8 and 15 at Fischer's Restaurant in Belleville.

The conference is sponsored by the Department of Commerce and Community Affairs (DCCA), the U.S. Small Business Administration, local universities and community colleges, local governments and private industry.

The conference will cover topics that include "Who Makes a Successful Business Owner," "How to Develop a Business Plan," "Marketing Strategies" and "Understanding the Financial Aspects."

The speaker at each will be Joseph Michlitsch, assistant professor of management at Southern University at Edwardsville (SIUE).

"The Southwestern Illinois SBDC is one of a statewide network that serves as a resource for local small business owners and operators," said DCCA Director Michael T. Woelfler. "The centers tailor services to the unique needs of each region. This conference is just one of many services they offer."

A \$30 registration fee is required and payable to Belleville Area College. The fee covers conference materials and rolls and coffee.

For further information on this conference and the SBDC program, interested persons may call 1-618-692-2929.

ART WILL BE AUCTIONED ON CHANNEL NINE FRIDAY

The public will have the opportunity to bid on 35 pieces of quality artwork, including the works of Lucia Jahmann, Gary Passanise, Roy Lichtenstein and Michael East in when Channel 9 presents St. Louis' second annual televised art auction Friday, May 4, at 7 p.m.

The Nine Collection, an exclusive group of artworks donated by artists, galleries and collectors, will be sold in a special segment of the 1984 Channel 9 Auction Adventure. The annual spring benefit, televised live from the Channel 9 studio, began Friday and runs through Sunday, May 6. For the remainder of the ten-day event, weeknight broadcasts begin at 7 p.m., and starting time is 5 p.m. on Saturday and Sunday.

Dialogue on drugs

This column is on the first obstacle society has to deal with when tackling the drug problem—denial. Members of a local task force say:

Denial is a defense mechanism to shield and protect us from something that we perceive as threatening.

By denying the existence of a problem such as drug abuse, we feel we don't have to deal with it or assume the responsibility for it. Denial is a natural way of protecting ourselves from a situation we are unable to face.

Phrases that you may hear someone say when talking about drug abuse are: "It's not a problem here... We may have a small problem here, but it's not as bad as... It's the school's fault... The police courts should be tougher... It's the parents' responsibility..."

The fact is, drug and alcohol abuse do exist. And it's time people break down their wall of denial and become involved in a remedy.

Figures taken in a recent survey illustrate a need for some action: 74 percent of high school seniors have used alcohol; 44 percent of high school seniors have used psychoactive drugs other than alcohol; 19 percent of 14 to 17-year-olds are problem drinkers.

Fifty percent of the nation's seventh graders have tried drinking; 64 percent of 18- to 25-year-olds have smoked marijuana; 10 percent of adult drinkers will become chronic alcoholics; 20 to 30 percent of juvenile drinkers will be alcoholic, and 81 percent of those admitted to Care Unit hospitals age 20 or younger are polydrug users, meaning they are dependent on two or more drugs simultaneously.

Drug abuse is a societal problem and it will take the efforts of all parts of society to solve the problem. A group in the area has taken the first step in working to help youth and abusers—the Chemical People Task Force.

The group meets at 7 p.m. every Thursday at Maryville School, Room 140. The public is invited to attend and give input.

Persons having questions about the Chemical People Task Force or about any type of drug abuse may send letters to Dialogue on Drugs, Post Office Box 278, Granite City, Ill. 62040.

Upcoming events

Dinner

TV TEASERS

1. Name the two male hosts of "Hee Haw."
 2. "Peanuts" specials were always appearing on the air with the seasons. Who was the creator?

3. Name the household family that was centered on ABC's "Eight Is Enough" which starred Dick Van Patten.

ANSWERS:
 1. Buck Owens and Roy Clark
 2. Charles M. Schulz
 3. Bradfords

Freeze film? Certainly! Some professional photographers freeze their film until they're ready to use it. Frozen, it will keep indefinitely, but it should be left in its unopened wrapper, which is designed to protect it from moisture. Frozen film should be allowed to warm up to room temperature before using.

Wolf packs in Norway. For the first time since wolves became a protected species in Norway 11 years ago, there are signs that they have started to breed. Packs have been sighted both in southern Norway and in the Trysil district close to the Swedish border.

Seeds good 3 to 7 years. A tomato seed's life expectancy is six or seven years and that of a radish, like most vegetable seeds, is three or four years.
